DON'T LET THE BED BUGS BITE!

Bed bugs are one of the most persistent problems to plague our homes. Bed bugs are small, flat insects that feed on us as food. Spotting bed bugs early is the key to preventing their spread.

- **Be on the lookout** for signs of infestations especially around sleeping areas. Signs include: live bugs, dark brown or black spots on bedding, carpets, walls and furniture
- **Inspect used furniture** or other items closely before bringing them into your home. Look for signs of infestations in cushions, zippers, seams, and underneath including springs and frames
- **Take extra care when traveling** or staying in a new place. Bed bugs can hitch a ride home on your clothing or luggage

- Wipe it down
(Do quick wipe downs daily of kitchen/bathroom countertops, sinks & appliances)

- Miscellaneous work
(Clean inside appliances, all cabinetry, and fridge and freezers)

Pet Lease Violation

For any tenant to keep a pet in Muskegon Heights Housing Commission (MHHC) you **MUST** have **PRIOR** written permission from MHHC. If a tenant does **NOT** obtain written permission to keep a pet but does so anyway, the MHHC will seek to evict the tenant. **Dogs expressly prohibited are Pitbulls, Rottweilers, Wolf dogs, Doberman Pinschers and German Shepherds.** Only ONE cat or dog will be allowed per apartment. NO pet over (30) pounds or twenty (20) inches high.

Congratulations To Best Winning Yard!!!

Congratulations to Mr. Harvey on winning "Best Yard!!!" ☺
